NEWS ABOUT TOWN

By T. P. Felder

Mound Bayou has really taken advantage of sunshine and moon light this week. The days have been filled with Alpha Kappa Alpha Activities and the nights have been filled with revelry. The A. K. A.'s have given some wonderful demonstrations on foods for health, caring for small children, dental hygiene etc. Little 2 year old Murtis Ruth Trotter endeared herself to nurses, doctors, and spectators when she posed so prettily for the demonstrations.

Monday night a long line of trucks and cars filled with the Daughter Elks on their moonlight excursion and party from the Elks' Rest to Dennis Moody's.

Tuesday night Beulah, Eula and Lucille gave a moonlight party on T. O. C. K.'s Playground.

The Little Mission Group gave a Kiddie Party at Bethel Church Thursday night.

B. & F. Addition is again enjoying the presence of an ex-Mound Bayouian. Mrs. Mattie Moore White, Little Mattie and Joe White of Leavenworth, Kansas are here visiting the Frank Moores.

I have heard L. M. D. giving her family remedy for diarrhea to friends all summer, but owing to the number of cases that I have run into during this week I decided that good news travels too slowly from mouth to mouth, so I'm going to tell you what L. M. D. does when we show symptoms of Diarrhea. She has us to eat ice cream.

50 Church Members At Rosedale, Miss., To Begin Tithing

GOSPEL TEMPLE CHURCH

Sunday, though a bad day in point of weather, the attendance was above two hundred persons. The service was one hundred percent good.

FINANCE

The Sunday School raised \$6.90, the B. Y. P. U. \$4.00, the Church \$89.13, total amount raised \$100.03.

TITHERS

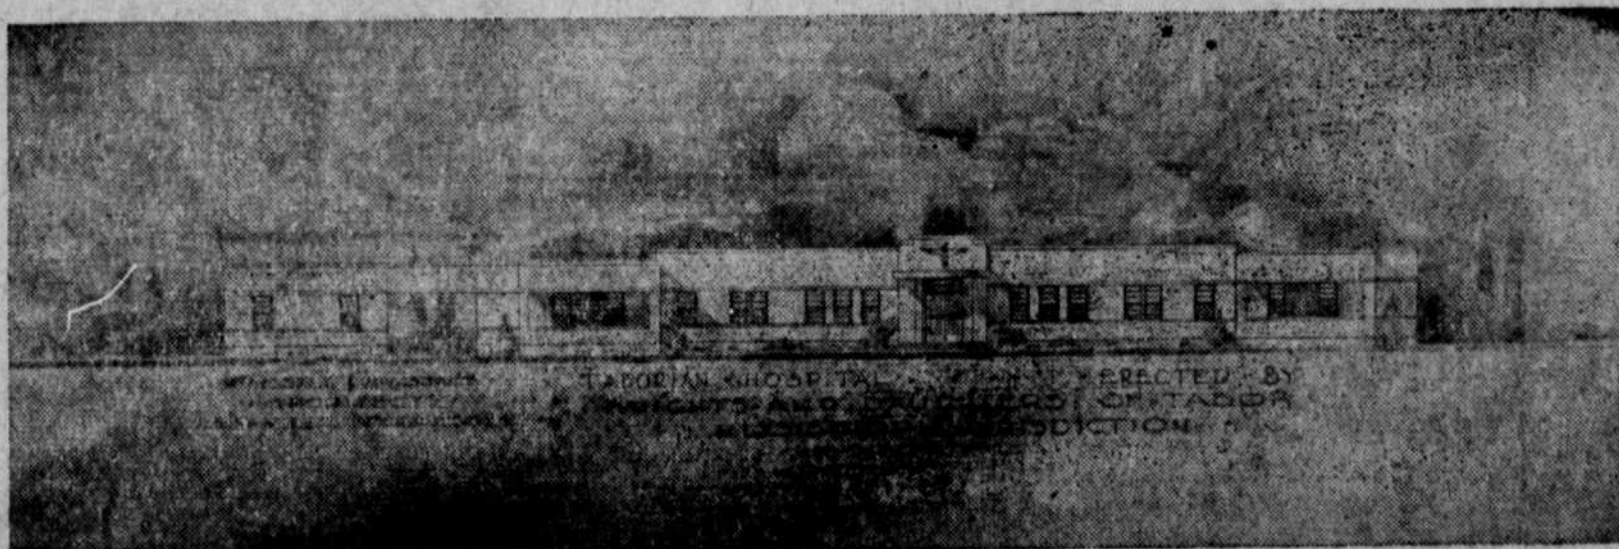

After the pastor preached the sermon during the morning service from the subject, "God's part of our time and means" and led his hearers to see that one tenth of all we accumulate belongs to God and that all Christians owe it and must account to God for the non-payment of same. This became the church finance method by the pastor, his official board and a number of the members.

There is prospect of more than fifty members who will begin tithing this week.

Gospel Temple of Rosedale is powerful, because of its outstanding record of service. No pastor could fail to be proud of a congregation so efficient and loyal.
